

Accelerated Option

BACHELOR OF SCIENCE IN NURSING

GOLDFARB
SCHOOL of NURSING
AT BARNES-JEWISH COLLEGE

Accelerated Option

Goldfarb School of Nursing at Barnes-Jewish College offers the Bachelor of Science in Nursing Accelerated Option, an entry-level nursing program for individuals who have a bachelor's degree or higher in a field other than nursing.

The Accelerated Option is a full-time, 12-month program that is comprised of 58 credits of nursing coursework. Applicants must complete 27 credit hours of prerequisite coursework at an accredited institution of higher learning. Goldfarb School of Nursing at Barnes-Jewish College admits students for summer, fall and spring terms.

Due to the fast-paced nature of the program, students must be available a minimum of 50-60 hours per week for classroom and study time, simulation labs during the day and clinical experiences during days, evenings and/or weekends. Students also have the opportunity to complete their clinical experiences on the Washington University Medical Center campus, at BJC HealthCare facilities and a variety of other community locations, up to a 70-mile radius, throughout St. Louis City,

St. Louis County, St. Charles County and surrounding counties. Students also have the opportunity to collaborate and learn with medical, pharmacy, physical therapy and social work students in interprofessional education clinical experiences.

Graduates will be prepared to take the National Council Licensure Exam (NCLEX-RN®). Passing the exam is required to become an entry-level registered nurse.

Goldfarb School of Nursing at Barnes-Jewish College is accredited by the Higher Learning Commission (HLC), the Commission on Collegiate Nursing Education (CCNE) and is approved by the Missouri State Board of Nursing.

YOU'RE MADE FOR THIS.

Learn. Achieve. Advance.
